

# iPECS Approved Headsets

## Athena W1M/B Professional Office Headset

Whether you are in a traditional office or call centre environment, the Athena single ear and dual ear headsets are designed for comfort, so you will be able to wear them all day, every day. These lightweight headsets are compatible with all the iPECS LIP-9000 and LDP-9200 handset range, delivering exceptional sound quality in a cost effective package.

The Athena-W1M/B headsets have a noise cancelling microphone, sure-fit fully adjustable headband and the single headset is left or right ear side compatible so you can choose what's best for you.

HS-W1BIN headset with dual ear piece.

HS-W1MON headset single ear piece.
