

# Professional Wireless Headset

## HS-D2

The HS-D2 DESK+USB is a dual function monaural, hands free, office headset that allows you to switch seamlessly from deskphone to USB (e.g. Softphone), via a switch on the base, whenever you wish. The headset is easy to set up and maintain and is equally suited to a busy office or call centre environment.

- Connect to both Phone/VoIP via switch from base unit
- Single ear, overhead or over-ear headband
- Noise cancelling microphone
- 100 Meters external range
- 8-9 hours talk time (stand by ~ 50 hours)
- Automatic set-up/pairing function
- Magnetic sure dock system for charging
- Quick recharge time (2-3 hours)
- Optimised for Skype for Business
- Capacitive touch buttons
- In-use busy light indicator (call illumination)
- Mute the caller button on headset and base
- Volume control on headset
- HD speaker
- Compatible with most standard corded IP phones
- Compatible with Apple and Samsung phones
- Electronic Hook Switch (EHS) (Optional Accessory)
- 2 Year warranty
